

# Swansea Girls Softball League

Welcome to the start of the 2026 season for SGSL!

Swansea Girls Softball is made up of two leagues:

**RECREATIONAL:** There are three divisions within our recreational program: Minor (age 5-7), Freshman (ages 8-10), & Sophomore (ages 11-14). In the Minor Division the girls are taught the basics of softball and hit off a tee at the start of the season and progress to coach pitch. It is a division that focuses on the fundamentals to get the players ready for a bit more competitive play. Once the girls have learned the skills needed, they then advance to the Freshman Division followed by the Sophomore where stats are kept in both. Swansea Girls Softball will once again be teaming up with our neighbors in Rehoboth for our recreational league. This gives our players a chance to play different teams and more games!

We will also be offering a 16U Senior Division in an inter-town league with Somerset. This will begin in June and offer teams two games during the week. There will be no games on weekends. More info to come!

Our home fields are located at the Hoyle School Complex, 70 Community Lane, Swansea. All females between the ages of 5-16 years old who live in Swansea and surrounding areas are able to sign up for the different divisions that are offered at Swansea Girls Softball League!

***We are committed to teaching & providing girls not only the necessities needed in softball but also team, communication & social skills.***
